

TERESIA MWAURA

0718489602 | mwauraterri@gmail.com | [LinkedIn](#)

Executive Summary

Strategic communications and multimedia professional with a strong background in donor visibility, digital communications, media relations, and advocacy support across NGO programmes. Experienced in developing compelling content, publications, and campaign materials that communicate programme impact, strengthen institutional reputation, and support fundraising and stakeholder engagement. Brings excellent writing, visual communication, and coordination skills, with a strong understanding of ethical storytelling, child safeguarding, data protection, and brand consistency.

Professional Experience

FilmAid Kenya

Communication Consultant

June 2026 – Present

- Designed and produced branded visual communication materials, including reports, brochures, banners, posters, infographics, social media graphics, and awareness campaigns for diverse audiences.
- Developed creative concepts and translated program objectives into compelling visual designs that aligned with organizational branding and communication standards.
- Managed end-to-end design projects, from layout development and stakeholder feedback incorporation to final production of print-ready and digital assets.
- Delivered event branding and promotional materials for key initiatives, including the FilmAid Film Festival (FAFF), ensuring consistency across all communication channels.
- Collaborated with program teams, partners, and external vendors to produce high-quality creative outputs within agreed timelines and quality standards.
- Maintained organized digital asset libraries and leveraged Adobe Creative Suite and emerging design trends to enhance creative effectiveness and brand visibility.

International Humanity Foundation

Graphic Designer (Part-time Volunteer)

May 2026 – Present

- Design visual assets and communications materials for IHF's humanitarian programs, including social media graphics, infographics, and event branding.
- Work with program teams to turn community impact data into clear, accessible donor-facing content.
- Maintain brand consistency across all materials in line with organizational guidelines.

World Vision Kenya

Communications Officer

January 2026 – March 2026

- Led production of the 2025 Impact Report — writing, designing infographics, and translating program data into a donor-ready publication.
- Developed donor-facing visual materials for the Fundraising Department that communicated program outcomes clearly.
- Provided full multimedia documentation for the Disaster Management Department covering emergency response across active humanitarian contexts.
- Conducted field photography and beneficiary story documentation across multiple programme sites for use across social media, publications, and advocacy materials.
- Planned, filmed, and edited video content using Adobe Premiere Pro and Final Cut Pro to donor-ready standard.
- Collected stories, photos, and videos from communities across Kenya to create impactful content for fundraising, advocacy, and program teams.

World Vision East Africa

Regional Communications, Digital Media & Graphic Design Assistant

October 2024 – December 2025

- Grew the regional LinkedIn page from 15,000 to 48,000 followers and increased overall social media engagement by 50% through consistent, data-driven content planning.
- Authored the HEA 2024 Annual Report, the region's first child-friendly impact report for FY24, and the World Vision East Africa Annual Report.
- Developed Humanitarian Emergency Capacity Statements for a GFFO proposal in Brussels, contributing to EUR 1.75M in emergency funding secured for Sudan.
- Designed and rolled out a comprehensive regional brand catalogue ensuring all country offices aligned with updated brand guidelines.

- Coordinated communications for international events and leadership engagements, producing visuals and video reels that boosted event-specific engagement by 20%.
- Collected field stories from Marsabit, Isiolo, and across the region through written, photo, and video documentation.
- Monitored media coverage using Meltwater, translating findings into monthly content strategy recommendations.
- Collaborated with the Africa program team to shape and deliver regional narratives that supported fundraising, advocacy, and program priorities in line with organizational strategy.
- Reviewed and edited communications materials including stories, photos, and videos to reinforce brand standards and ensure consistency and quality across all outputs.

Plan International - MEESA

Regional Communication Assistant & Social Media Marketer

March 2024 – September 2024

- Launched and managed LinkedIn and Instagram from scratch; refreshed Facebook and X, growing the combined regional audience by 40% in six months.
- Increased audience engagement by 35% through strategic content calendars and data-informed posting schedules.
- Updated and managed website content, supported SEO improvements, and maintained a media database for program visibility.
- Planned and executed high-profile regional events, covering photography, videography, and post-event communications.
- Used Google Analytics to track social media and website performance and reported findings to guide strategy.
- Managed website content and regional social media channels, driving audience engagement, enhancing brand visibility, and supporting audience growth across digital platforms.
- Coordinated communications opportunities across the region including media engagement, partnership visibility, and campaign rollouts
- Planned and executed communications for regional events, covering branding, photography, and post-event storytelling.

Shine A Light CBO

Communications & Advocacy Volunteer

January 2024 – June 2024

- Captured high-quality photos and videos during community programs and events for documentation and reporting.
- Produced engaging multimedia content to support behavior change communication and community awareness.
- Managed online engagement by creating visual content that increased participation and visibility of key initiatives.
- Supported collaboration with community groups and government agencies through clear and impactful communication materials.
- Organized and maintained digital libraries of video footage, photographs, and communication assets.
- Designed social media graphics, flyers, and visual materials aligned with brand guidelines.
- Documented field activities, beneficiary stories, and program milestones for donor-facing content.
